

CardSwitch to Participate at Vendorcom Conference in London

31 March 2008

Date: Wednesday 30th April 2008

Time: Coffee and registration at 9.30am for 10am start

Venue: Novotel, Hammersmith, London, W6 8DR

Agenda: Focus is on contactless payments, SEPA, Transport, PCI & Payment Security and Cards and Payments Fraud

Highlights include:

- * Keynote speaker, Tom Nash, CEO of Xalles is an experienced international public speaker, business advisor and author. His presentation will cover three distinct areas of importance to all in the cards and payments sector: the latest trends and tools for addressing card and payment systems security, innovative techniques for funding and developing the new technologies, the challenges of bringing new technology to market.
- * Our focus on PCI and Payment Security will explore the new Payment Application Data Security Standard (PA-DSS) with Natalie Moulton from Visa speaking on behalf of the PCI SSC.
- * The latest on SEPA from EPC Cards Standardisation Task Force.
- * An update from APACS on Card and Payment fraud.
